

TIPS FOR FLOWER ARRANGERS - SECTION E

All flowers and foliage CAN BE BOUGHT.

Class 103 needs a container appropriate to the title and this must be included in the overall size.

Measurement Be especially careful with the size of your exhibit. Sizes given are for the whole exhibit. Allow for the fact that overhanging stems may droop over the limit by the time the judge sees it!

Accessories can be used in any class and can be anything appropriate e.g. a glass, bottle, Teacup, candle, ribbon etc
