

Kew Horticultural Society

77th Flower & Produce Show

Schedule

Kew Green
Saturday 27th August 2022

Kew Horticultural Society

77th Flower & Produce Show

We would like to welcome you to the Kew Horticultural Society's 77th Annual Flower & Produce Show, the oldest horticultural event in the area and one of the few traditional shows held in a Marquee with a village atmosphere.

It is run annually by Kew Horticultural Society whose aim is to stage events with a horticultural theme, and generally help local gardeners by supplying gardening materials at a considerable cost advantage. Membership costs £5 for individuals and £10 for families.

The Society is run on a 'not for profit' basis and any profit from the Show will be given to local charities.

This Schedule lists the classes to enter the Show, and everyone is welcome to enter, both members and non-members, provided they are amateurs.

Although vegetables, fruit and flowers play the major part, there is something for everyone - photography, arts & crafts, cookery, and special classes for children.

RULES FOR EXHIBITORS

£1 for a single entry and £2 for multiple entries includes free entrance to Marquee. Free to exhibitors under 14 years old.

1. Wherever practicable the rules and standards contained in the Royal Horticultural Society's Horticultural Show Handbook will apply.
2. All exhibits in Section A must be bona fide produce of the exhibitor and must have been owned and grown by him or her in his or her garden or allotment for at least three months. The Committee shall be empowered to visit the garden or allotment of any exhibitor should any question of doubt arise. In the event of an infringement of this rule the Committee reserves the right to refuse further entries from the exhibitor concerned.
3. Competitors must be amateurs and may only enter one exhibit per class.
4. Exhibits, together with a completed official entry form, must be registered at the Marquee no later than 9.30am on Saturday 27th August 2022.
5. The Committee reserves the right to refuse any entry without being required to give any reason or explanation.
6. Exhibits may be staged on the eve of the Show between 5.00pm and 8.00pm or between 7.30am and 9.30am on the day of the Show. All staging must be completed by 9.45am when exhibitors MUST leave the Marquee. Every exhibit must bear a card which will be issued by the Society before staging is commenced.
7. In this schedule the words 'kinds' and 'varieties' are used in the following senses: potatoes and peas are distinct 'kinds' of vegetables, Duke of York and Majestic are 'varieties' of potatoes.
8. In the vegetable and fruit classes, unless otherwise stated, an exhibit must consist of one variety. The mixing of two or more varieties will disqualify the entry unless expressly allowed in this Schedule. Similarly, where a number is specified, as in 'A dish of six runner beans' no more nor fewer must be shown.
9. In order to follow RHS guidelines, exhibitors must provide their own vases etc. For plates and dishes, it is permissible to substitute a paper doily or something similar.
10. Whenever possible, an exhibit of vegetables, fruit or flowers should bear a small label with the name of the variety. Exhibitors will be responsible for placing such name cards and for the accuracy of the particulars given thereon.
11. The judges may modify or withhold any prize if the standard of the exhibit does not merit the prize offered.
12. The judges' decision as to the relative merits of the exhibits shall be final and the decision of the Committee shall be final on all other matters connected with the Show. In the event of a tie, the person with the most entries will be awarded the trophy.
13. Any protest must be delivered in writing to the Society by 3.00pm on the day of the Show. A protest must be accompanied by a deposit of £5.00 which will be refunded if the protest is upheld by a sub-Committee of three non-exhibitors appointed for the purpose.
14. All exhibits must remain in the Marquee and cannot be altered or removed between 9.45am and the conclusion of the prize-giving.
15. All cups remain the property of the Society; they will be held by the successful exhibitors for one year and must be returned when requested by the Society and are accepted by winners subject to the above conditions.
16. The Society will not be liable for the exhibits or personal property of the exhibitors and members of the public.

HOW TO ENTER THE SHOW

All sections are open to members and non-members

- Please read the Rules for Exhibitors on page 2 and make sure you have complied with them.
- Please choose the classes you wish to enter from Sections A - E and ensure that your exhibits conform strictly to the requirements of this Schedule.
- It would be marvellous if everyone exhibited in at least one or two classes. All have a chance of winning and you will be surprised how easy it is to be awarded a prize. We advise you not to leave your staging until late as good presentation helps to impress the judge.

ENTRY FORMS

One is enclosed with this Schedule. Fill it in and bring it to the Marquee with your exhibits. Further copies can be downloaded from the KHS website: www.kewhorticulturalsociety.org

See Programme on page 3 for staging times.

The deadline for handing in Entry Forms is no later than 9.30 am in the Marquee on Saturday 27th August 2022.

CUPS & ROSETTES

Cups are presented to those with the most points which are awarded as follows: First prize: 4 points, Second prize: 3 points, Third prize: 2 points, Fourth prize: 1 point.

Rosettes are awarded to all First prize winners.

TIPS FOR EXHIBITORS - SECTION A

1. All exhibits should be staged as attractively as possible. In a close competition this may be the deciding factor.
2. All plants must be owned and grown by exhibitors for at least three months.
3. Appearance is enhanced by natural bloom.
4. Uniformity of size, shape and colour is important.
5. All vegetables should be properly prepared and roots carefully washed. No blemishes if possible. Cut peas, beans and the like with scissors and retain long individual stalks. Root crops should have tops trimmed to about 8 cm.
6. Shallots, garlic etc. are better displayed on a plate of raised sand. Leave about 2.5cm of dry stem. Soft fruit look better displayed with a few of their own leaves.
7. An annual is a flower raised from seed during the 12 months preceding the Show. A perennial is a plant which lasts many years (includes plants from bulbs, corms & tubers).
8. The words 'variety' and 'kind' - see Rule 7 on page 2.
9. Further information is available on the KHS website, RHS Horticultural Show Handbook or from David Collison, 33 Gloucester Road, TW9 3BS.
